

Connetquot Teachers Association, Inc.

1650 Sycamore Avenue, Suite 8 • Bohemia, New York 11716

THE CONNETQUOT TEACHERS ASSOCIATION IS ENDORSING MR. ROBERT GRABLE FOR THE BOARD OF EDUCATION

For the past forty-five years I have been a Connetquot resident. Due to my appreciation for the education and opportunities the Connetquot School District and community have provided me, my wife (also a Connetquot graduate) and I decided to purchase a home in Oakdale and raise our family of three daughters. As such, we continue to support and value the academic and social learning opportunities our daughters receive at Bosti Elementary and Oakdale Bohemia Middle School.

That being said, my years as a longtime resident, former student and current parent of Connetquot students have provided me with various experiences that have prepared me well to represent the greater Connetquot community.

Similarly, my professional responsibilities as a teacher, administrator and union representative have yielded a host of experiences relative to the “business” of educating today’s youth and the fiduciary responsibilities that accompany doing so in an effective and responsible manner. As a teacher, I was charged with planning and implementing quality instruction for my students, which often required me to sit on various curriculum based committees. Likewise, my fourteen years as an administrator have charged me with leading various committees and initiatives at the building level; such as staffing, curriculum, facilities, security and budget based issues, to name just a few.

Lastly, the intimate structure of the school district I am currently employed in lends to a collegial working relationship between teachers, administrators, District Office officials and the Board of Education. In this regard, I have participated in many District Office and Board of Education directed initiatives, including the District-wide budget process, curriculum inventories, security assessments, legal liabilities, etc.

The aforementioned considered, I feel that my appreciation for and commitment to the Connetquot School District/community, coupled with my professional experiences as an educator, have prepared me for the responsibilities charged to a school board trustee.

Thank you in advance for your consideration and again I ask you for your support.

UNDERSTANDING EDUCATION • COMMITMENT TO THE COMMUNITY
